

### 3<sup>rd</sup> Year SVN for Sevenoaks Practice at Pennard Vets

Here is your chance.... will you take it? A rare opportunity awaits.

We are looking for an SVN to join us at our **Sevenoaks** practice due to our growth and expansion. As an independent and Employee-Owned practice we put our nurses in the driving seat of patient care. We value them as key members of the team and want to encourage them to do all within their capacity including schedule 3 procedures. We particularly focus on training student nurses and providing them with a supportive and caring environment. Every student gets their own dedicated clinical coach and also has the support and experience of the rest of the team.

At Pennard Vets, we want people to thrive and love what they do! That is why our focus is on helping people to grow professionally and personally.

We welcome student nurses of all skill levels, and band salaries in a way which reflects what you bring to the business, not just how much experience you have. **(19-20k salary)**

We also offer a range of employee benefits to look after your physical and mental health, as well as achieving your personal goals such as:

- Eye care vouchers
- Flu vaccine
- Healthcare cashback scheme
- Bereavement support
- Death in service benefit
- Access to Counselling
- Bespoke coaching

And so much more!

*As a BAME and LGBTQ+ inclusive employer, we are keen to hear from candidates from all minority and diverse groups.*

If you'd like to join our team, please email us [careers@pennardvets.com](mailto:careers@pennardvets.com).
