

Full time Veterinary Nurse

An exciting opportunity has arisen for a Registered Veterinary Nurse to join our large and friendly day team. The role is full time, working a rota of 4x 9-hour days and 1-in-4 full weekends. Both shifts include 1 hours paid break. No on call or night shifts.

Our large busy RCVS accredited veterinary hospital is equipped with excellent facilities, including digital radiography, endoscopy and ultrasonography. We are a first and second opinion practice with a varied caseload.

Our hospital has both separate dog and cat wards as well as isolation facilities. Our theatre is equipped with the latest multi-parameter machines and equipment to perform both routine and emergency surgery. We have a 24hr team which includes a dedicated night team.

The hospital is located in Upminster, Essex, close to M25/A127 we have fantastic transport links to London.

Our clinical area uses "Smartflow" which is a paperless record system. By adopting this, we are working towards reducing our carbon footprint. We are a team passionate about sustainability within the veterinary profession.

As part of the RCVS Practice Standard Scheme (PSS), we received six awards for outstanding patient and client care. We have also very recently gained our iiE Green award, for our investment in sustainability.

We also have a state-of-the-art Wellness Centre, located in Brentwood, Essex. Here we promote our tailor made healthcare plans and perform nurse consultations both in person and via video. The centre is also home to a wide variety of raw diets for both dogs and cats.

This role would suit a nurse whom enjoys working as part of a team, where patient care is paramount and whom strives to provide an individual and tailored service to patients and clients alike. CPD is funded and encouraged. RCVS registration fees are paid, along with access to the staff discount scheme and Wellness hub.

We pride ourselves in promoting a happy and healthy well-being within our team. We encourage team building and social interaction, as we strive for a good work-life balance.

Salary £26,044-£30,000 plus responsibility benefits.
