

Job Description

We are currently looking to recruit a year 1 or 2 Student Veterinary Nurse here at Vets4Pets Maidstone.

Our practice is bright, spacious, air-conditioned and has state of the art equipment including digital X-ray and in-house laboratory facilities.

This is a full-time role working 40 hours per week, including 1 in 4 weekends on a rota basis. As of January 2023 the shift pattern will be a 4 day week giving 1 day a week off regardless of weekend shifts.

We are looking for a Student Veterinary Nurse who is experienced within the role and someone who also has the relevant experience.

Excellent customer service and patient care is extremely important to us, so we are looking for individuals who share our high standards and work ethos with effective communication skills and be enthusiastic about giving the best service to our clients. You will get to experience Schedule 3 work whilst at the Practice.

You will be empathetic, passionate about the industry and will be compassionate about animal care; someone who strives to deliver the very best service for our animals and clients, every single time.

In return, we offer benefits which include:

- A salary of £23,000 per year
- Contributory pension scheme
- Holiday allowance including a day off for your birthday
- In-house career development opportunities
- Paid membership fees
- Access to the reward hub which has colleague discounts and cashbacks at a variety of locations
- 20% discount at Vets4Pets, Pets at Home and the Groom Room

If you share our passion for delivering outstanding pet healthcare, exceptional customer service and would like to join our team, then we would love to hear from you.
